VISIT OF GIRLS NATION DELEGATE

After meeting with you, Girls Nation Delegate  of  
Atlanta, Texas, made the following comments: "She always wanted to  
meet William Casey. In fact, she and her friends talked about it  
frequently--William Casey, and what it would be like to meet him.  
He was the real James Bond, and it would be glamorous to meet him.  
Since the candidate that she backed became President of Girls  
Nation, she had the choice of any Cabinet member and her first  
choice was William Casey. She looked at the list and immediately  
chose you. She couldn't wait to tell her friends, and was so happy  
that she would have a picture to show them."

This is to confirm that William J. Casey, Director of Central Intelligence, will meet with the Girls Nation delegate at 9:30 a.m. Friday, 20 July. Please make arrangements to have your representative at the Main Reception desk of the Headquarters Building, Langley, Virginia at 9:15 p.m. where I will meet her. Please let me know what type of transportation she will be using. Enclosed is a map giving directions to the Agency.

As I have mentioned on the phone, we would appreciate being notified of the identity of the "Girls Nation DCI" as well as her place and date of birth, social security number, home address, and short biography by Tuesday, 17 July. She is required to be a U.S. citizen. We do not allow foreign nationals to visit our building. Please ask her to bring some form of identification that includes her photograph. Photographs will be taken of her with the DCI during her visit so there is no need for her to bring a camera. After meeting with our Director I will give her a short tour of the building. If you have any further questions, please call me on 351-7676.

I look forward to meeting with your delegate; and I also wish to congratulate the American Legion Auxiliary on holding their 38th annual citizenship course for the study of the Federal Government.

MEMORANDUM FOR: Director of Central Intelligence

FROM: George V. Lauder  
Director of Public Affairs

SUBJECT: Girls Nation Delegate Visit

1. Action Requested: Accept or decline to meet with Girls Nation Delegate for approximately 15 minutes at 9:30 a.m. on Friday, 20 July, in your office.

2. Background:  National President of Girls Nation, has requested that you meet with your Girls Nation "counterpart." In the past six years either the DCI, the DDCI, or the Executive Director have met and been photographed with the Girls Nation "DCI." Opposite is the photograph taken last year. STAT

This is the 38th Girls Nation program sponsored by the American Legion Auxiliary. The annual citizenship course will be held 14-21 July at Marymount College in Arlington, Virginia, and will include high school juniors (two from each 50 Girls State sessions). The delegates convene as a legislative body and then divide into rival political parties and conduct campaigns which culminate in an election. The winning party forms an administration with offices comparable to the Cabinet level; hence a Girls Nation representative is the DCI. Opposite is additional information. She will wish to acquaint herself with the primary functions of your office.

3. Recommendation: If your schedule does not permit you to meet with the visiting "DCI," defer to the DDCI or Executive Director. My office will host the visit and provide additional information and materials.

Att. ER 83-2963+113  
 OFXA 1294-83

Dear Mr. Casey:

The 38th annual session of American Legion Auxiliary Girls Nation will be held at Marymount College of Virginia in Arlington, July 14 to 21, 1984. As a former Director myself of this youth citizenship training program in the processes of federal government, I want to thank you for your previous help in making these girls' Counterpart visits a memorable experience.

The girls will convene in the form of a legislative body modeled after the United States Senate. Once they have mastered legislative procedures, they then will divide into rival political parties to conduct campaigns which will be climaxed by an election. The winning party will form an administration in which there will be an office comparable to yours. It is in the interest of the young lady who will be appointed to this office that I have two favors to ask of you:

- 1) Before we print the list of key administrative offices in the Girls Nation Instructional Manual, we would like to be certain that we have the names of the current office holders and their titles in the correct form. Therefore if the inside address of this letter is in any way incorrect, would you be so kind as to let us know?
- 2) It will be the challenge of your Girls Nation counterpart to learn the primary functions of her office as well as possible in the limited time available. Nothing inspires her to greater effort than to have the opportunity to meet and visit even briefly with her actual Counterpart in government. To facilitate this, could you grant this Girls Nation delegate an appointment on Friday morning, July 20th (perhaps 15 minutes between the hour of 9:30 and 10:00 a.m.) and then perhaps assign a staff member to show her around your office and answer her questions?

Would this be agreeable to you? If you would be so kind as to let my secretary know, I would deeply appreciate it. Details on these visits are being coordinated by  STAT and her telephone number is  STAT. She will be happy to provide you with the identity of your Girls Nation Counterpart following the Girls Nation election, by Wednesday, July 18.

We will be grateful for any help you can give us in making this an exciting "living experience in government" for these young ladies.

Sincerely,

# AMERICAN LEGION AUXILIARY

WASHINGTON OFFICE • 1608 K STREET, N. W. • WASHINGTON, D. C. — 20006

(202) 861-2795

July 26, 1983

from 1983 GIRLS NATION.

The 37th annual session of American Legion Auxiliary GIRLS NATION was the most successful in history. All 96 delegates were impressed by the numbers of federal officials who donated time and effort to make this a "living experience in government". Here is a summary of what they accomplished:

In its week at Marymount College of Virginia, July 16 to 23, GIRLS NATION convened as a senate, with two "senators" from each of 48 GIRLS STATE sessions that were held earlier in the summer. In the course of eight senate sessions, it dealt with 43 bills and 22 resolutions that had originated in Girls States for consideration by the Girls Nation Senate. Six bills and three resolutions were enacted. For those who have expressed an interest in these, I enclose a listing of their subject matter, and the Girls State from which each originated.

Turning to the practice of politics, the girls organized a "Federalist" and a "Nationalist" party, both of which conducted lively campaigns. The Federalist candidates were [redacted] of Oklahoma for President and [redacted] of Rhode Island for Vice President. Leading the Nationalist party were [redacted] of Wisconsin for President and [redacted] of South Carolina for Vice President. The Nationalists won. Each of the remaining girls was appointed to an administrative office, learning its duties as fully as she was able in the time available. A list of those also is enclosed for those who may be interested in the attainments of particular girls from particular states.

As usual, GIRLS NATION was the production of the Teen Age delegates themselves, and they ran it well. Now each has returned to her home community where, as a high school senior in the coming year, she will share what she has learned with her peers. Thus she joins 647,000 others who previously have received similar training through this program.

The National President of the American Legion Auxiliary, Mrs. [redacted] and the Girls Nation Director, [redacted] join me in thanking you for your help. It truly has been appreciated.

MEMORANDUM FOR: Director of Central Intelligence

FROM:

Director, Office of External Affairs

STAT

SUBJECT: Girls Nation Delegate Visit

1. Action Requested: Accept or decline request to meet with Girls Nation delegate for approximately 15 minutes at 2:00 p.m. on Friday, 22 July in your office.

2. Background:  National President of Girls Nation, has requested that you meet with your Girls Nation counterpart. In the past five years, either the DCI, DDCI, or the Executive Director have met and been photographed with the Girls Nation representative.

STAT

This is the 37th Girls Nation program sponsored by the American Legion Auxiliary. The annual citizenship course will be held 16-22 July at Marymount College in Arlington, Virginia, and will include high school juniors (two from each 50 Girls State sessions). The delegates convene as a legislative body and then divide into rival political parties and conduct campaigns which culminate in an election. The winning party forms an administration with offices comparable to the Cabinet level; hence a Girls Nation representative is the DCI. See attached sheet for further information. She will wish to acquaint herself with the primary functions of your office.

3. Recommendation: If your schedule does not permit you to meet with the visiting "DCI", defer to the DDCI or Executive Director. My office will host the visit and provide additional information and materials.

# AMERICAN LEGION AUXILIARY

WASHINGTON OFFICE • 1608 K STREET, N. W. • WASHINGTON, D. C. - 20006

(202) 861-2795

June 7, 1983

Honorable William J. Casey  
Director of Central Intelligence  
Washington, D.C. 20505

Dear Mr. Casey:

1983 GIRLS NATION, our 37th annual citizenship course in the process of federal government, will be held July 16 to 23 at Marymount College in Arlington, Virginia.

In that week, high school juniors (two from each Girls State session held earlier this summer) will convene in the form of a legislative body modeled after the United States Senate. Once they have mastered legislative procedures, they then will divide into rival political parties to conduct campaigns which will be climaxed by an election. The winning party will form an administration in which there will be an office comparable to yours. It is in the interest of the young lady who will be appointed to this office that I have two favors to ask of you:

- 1) Before we print the list of key administrative offices in the Girls Nation Instructional Manual, we would like to be certain that we have the names of current office holders and their titles in the correct form. Therefore if the inside address of this letter is in any way incorrect, would you be so kind as to let us know?
- 2) It will be the challenge of your Girls Nation counterpart to learn the primary functions of her office as well as possible in the limited time available. Nothing inspires her to greater effort than to have the opportunity to meet and visit even briefly with her actual Counterpart in government. To facilitate this, could you grant this Girls Nation delegate an appointment at two o'clock on the afternoon of Friday, July 22, and then perhaps assign a staff member to show her around your office and answer her questions?

Details on these visits are being coordinated by [redacted] of this office. STAT  
[redacted] She will be happy to provide you with the identity of your STAT  
Girls Nation Counterpart following the Girls Nation election, by Wednesday, July 20.

We will be grateful for any help you can give us in making this an exciting "living experience in government" for these young people.

Sincerely,

[redacted signature box]

National President

### GIRLS STATE AND GIRLS NATION

Girls State, culminated by Girls Nation, is the youth citizenship training program conducted annually by the American Legion Auxiliary to give high school juniors practical experience in the processes of government and thus a clear understanding of their approaching citizenship responsibilities.

GIRLS STATE SESSIONS, sponsored by 50 state Departments of the American Legion Auxiliary, are held each June or July in state capitals or on centrally located campuses in each of the 50 states. There, high school juniors, chosen with the aid of their school principals for qualities of leadership, set up their own miniature city, county and state governments and learn to administer them according to the rules and procedures set by actual state and local laws. They learn by "doing" it.

From Girls State, two Senators are selected to represent their constituents at Girls Nation, sponsored in the Nation's Capital in July by the National Organization of the American Legion Auxiliary.

GIRLS NATION, in its first three days, organizes political parties, the "Nationalist" and the "Federalist", holds national conventions for the nomination of candidates, climaxes campaigns with a "national election" and installs the winners in office.

From this point on, Girls Nation moves in a dual role: As a Senate, which meets to enact legislation, and also as a government administration, complete with elected and appointed officials. Girls Nation then visits the White House and learns firsthand how the federal government functions through briefing sessions on Capitol Hill and at various Government Departments, including those of State and Defense.

The National Association of Secondary School Principals has placed this program on the Advisory List of National Contests and Activities for 1982-1983.

### BRIEF HISTORY OF THE GIRLS STATE AND GIRLS NATION PROGRAMS

Back in the depression ridden days of the early 1930's, The American Legion grew concerned over public statements to the effect that Democracy was "on the skids". How, it wondered, could America train its young people in the processes of self government as effectively as Fascist Italy and Nazi Germany seemed to be training their youth groups in the promulgation of totalitarian forms of government. Deciding that the best way to learn something was by practicing it, American Legionnaires began, in 1935, to gather teenage representatives of high schools together for a few days each summer in citizenship training program on the processes of city and state government. They call it "Boys State".

As this program succeeded and spread throughout the United States, the American Legion Auxiliary began providing similar opportunities for girls of high school age. Thus "Girls State" was founded. The first Girls State was conducted in 1938 and since 1948 has been a regular part of the Auxiliary's better citizenship program. The 1983 Girls State sessions are being held in 50 states.

Girls Nation, the youth citizenship program in the processes of federal government to which Girls State sends two "Senators" each, is an annual climax to the Girls State program and has been held in the Nation's Capital for one week each summer since 1947.

Girls State is staffed by American Legion Auxiliary members who volunteer their time and effort to this enterprise. Its administrative costs are defrayed by their Department (state) organizations. All costs for Girls Nation, including transportation, are financed by the American Legion Auxiliary's national organization. Delegates to Girls State are selected with the help of their high school principals on the basis of potential leadership qualities and must be between their Junior and Senior years in high school to qualify. Through these programs, it is estimated that each summer the American Legion Auxiliary is adding 19,000 girls trained in the processes of government to a group that by the end of 1983 will total about 666,000.

On Washington's Birthday, February 22, 1964, the American Legion Auxiliary received one of the four top Americana Awards from the Freedoms Foundation at Valley Forge honoring its 1963 Girls Nation Program. Other Girls Nation Programs have helped to win similar George Washington Honor Medals, including the ones in 1971 and 1972. In 1977, the Joint Bicentennial Session of Boys and Girls Nation won its Distinguished Service Award.
